Local Clubs Are Idle; Lefevre for the Giants

TONE of the New York baseball clubs get into action yesterday. Rain in this city forced the Giants to postpone the opening of their series with the Cubs until this afternoon, while the Dodgers had to forego the pleasure of opening hos-tilities with the Pirates, whom they hope to find easier then they found the Reds, Cardinals and Cubs.

RED TOP, Conn., June 21.—Changes were made in Harvard's variety boat to-day. Burdes at No. 7 was out and Kane was moved from No. 3 to No. 7, and Damon, bow of the second crew, went in at No. 3 of the first variety. Borland, who was a substitute, takes bow oar in the second crew.

There was a heavy rais this morning and the crew had brisk work. The variety shell went to the navy yard and back, and on the second half mile of the course Coach Halnes lined up the freshmen with the variety for a half mile race. The freshmen won by six feet, the time being 2 minutes 35 seconds. CHANGES IN HARVARD VARSITY.

VOUR taste never tires of Camels! No matter how liberally you light up, Camels are always refreshing! That's because they have the quality and because they are made to meet your taste! The longer you smoke Camels the better you like them-they are so unusual, so different from any cigarette you have ever tried!

First of all, Camels are an expert blend of choice Turkish and choice Domestic tobaccos. Camels blend, backed by quality, gives Camels their remarkable mellow mildness never before attained in a cigarette. Yet, Camels have delightful body that is satisfying to the most exacting smoker!

And, you can mark it down on this spot that you will greatly prefer Camels blend to either kind of tobacco smoked straight! You'll find Camels a revelation -no matter how you compare them with any cigarette in the world at any price!

Make a note, too, that Camels leave no unpleasant cigaretty aftertaste nor unpleasant cigaretty odor.

Just as soon as you really know Camels and their quality you will realize why we do not offer coupons or premiums. Camels certainly tell you their own story in a mighty convincing way!
